2. Refer to Scrutineering Form

23. REFUELLING: Vehicles may only be refuelled in the designated area. It is the Competitor's responsibility to ensure an allocated Official is present, and a functional fire extinguisher provided by the Event is in place whilst refueling any vehicle. Fuel must comply with Schedule G of the current Motorsport Australia Manual.

24. METHOD OF TIMING: Will be either electronic timing to the 1/100th second or a manual timing system. Timing shall commence when the leading point of the car crosses the designated start line and shall cease when the leading point of the car crosses the designated finish line. The designated finish line shall not be more than one metre behind the front of the finish garage. If timing should fail to record a Competitor's time, then the Competitor shall be offered a re-run.

25. FLAGS / LIGHTS TO BE USED

Orange – Used to indicate to the driver that the competing vehicle is in the correct starting position.

Green – May be used to indicate that the timers are ready for you to start your run. This also has a Beeper when Green.

Red – indicates a situation has occurred (a danger on the course or a timing failure) which requires the Driver to cease their run. Any Driver who has been shown the red flag must immediately slow to a safe speed and proceed carefully to the next flag point for instructions from the Officials. Also **RED** will be shown as you arrive at the Garage for your run, this will change to **Orange** when you have staged.

Chequered – signals completion of the run

26. PENALTIES: As per Khanacross Regulations of the current Motorsport Australia Manual. A penalty of EXCLUSION may also be imposed by the Stewards of the Meeting for Infringements as prescribed by the current NCR's.

All "slowest time plus X seconds" penalties will be based on the time of the slowest non junior competitor

Handicap System applicable for SDCC Series rounds

Any vehicle fitted with tyres that would see them qualify for the Modified class

- Rally tyres
- Tyres marked 'not for highway use' or 'for competition use only'
- AT & MT type •
- Tyres of an aggressive nature (as determined by the chief scrutineer)
- 'Mud & snow' or
- • Tyres that have undergone tread modification

Will see them attract a handicap to their event Total elapsed (non-Penalty) time.

- Any 2WD vehicles with the above types of tyres will attract a 2% handicap (penalty)
- 4WD vehicles that qualify for class F will attract a 3% handicap (ie road tyres)
- 4WD vehicles that qualify for class FM will attract a 5% handicap (with or without rally tyres)

The handicap value applied will be the penalty time of the fastest in that group (not each individual's time)

27. JUDGES of FACT: All Officials shall be deemed to be Judges of Fact. This includes determining whether a course or test has been correctly completed, a garage correctly entered, a

field garage correctly traversed or the accuracy in timing a Competitor's run. Further duties may be defined at the COMPETITORS BRIEFING as necessary.

28. RESULTS: The winner will be the Competitor that accumulates the least amount of time penalties, including time penalties for cone or garage Infringements.

29. PROTESTS: Must be lodged in accordance with the NCR's of the current National Competition Rules.
